We've all finished a flight, satisfied that the choices we made were correct. How about the ones which were wrong? Without luck, the accident report would read, "The pilot's failure to..." We'll look at PNW accidents caused by pilots making wrong choices. Let's "hangar talk" and discuss the good and bad decisions we have made in our aviation careers.

*Directions:* Take EXIT 230 on I-5. Turn West on WA-20 towards Anacortes. Follow WA-20 for 3.6 mi. Turn RIGHT on AIRPORT HIGGINS WAY. After 2.4 mi. turn LEFT onto Airport Drive. The Port of Skagit Building is front to the left.
